EMPLOYER NEXT STEPS

For now, no action by employers with self-funded health plans (or an HRA) is required. USI will send a reminder in mid-2024 of the fee and additional information for filing and paying the PCOR fee with the IRS.

USI Note. USI has seen increased enforcement activity from the IRS around missing PCOR fees. Specifically, the IRS is issuing [CP161 notices](#) to employers who appear to have missed a prior year PCOR fee filing, requesting payment (including interest and penalties).
